

# MY DAILY PRAYER

Speak this over your life every single morning ■

Lord, I pray that You help me to stay  
calm, kind & joyful.

Help me to be a blessing and do Your  
will today, Father.

Give me wisdom and knowledge to handle  
today's situations correctly.

Give me favor and grace wherever I go,  
so Your light & glory shine through  
my words & actions.

I pray You cover me in Your shield of protection  
so that no danger, not even an attempt,  
may come my way, especially while I am  
in school, at work, or away from home.

**In Jesus' name, Amen.**
